

(iii) the specification and drawings of the subject application contain no matter that would be considered new matter in the Parent Application; and

(iv) a copy of the executed declaration of the Parent Application, showing the signature of the inventor and properly referencing the Parent Application is submitted herewith as Exhibit A.

Applicant requests consideration and acceptance of the previously submitted Declaration and withdrawal of the objection to the Declaration.

The Commissioner is hereby authorized to charge payment of any additional fees associated with this communication or credit any overpayment to Deposit Account No. **04-1679.**

Respectfully submitted,

Mark C. Comtois
